Item Number 2c

Resolution No. 3755, Revised

Subject: 2007 Transportation Improvement Program (TIP), Amendment No. 07-02, MTC Resolution No. 3755, Revised.

Background: The federally required TIP is a comprehensive listing of all Bay Area transportation projects that receive federal funds or that are subject to a federally required action. MTC prepares and adopts the TIP every two years. The 2007 TIP was adopted by the Commission on July 26, 2006 and approved by the Federal Transit Administration (FTA), and the Federal Highway Administration (FHWA) on October 3, 2006.

Amendment 07-02 is a major amendment that reprograms fiscal year 2005-06 funds previously scheduled to be obligated by the project sponsor in that fiscal year, into the current FY 2006-07. The projects being modified are the Union City Intermodal Station in Alameda County and the State Route 152/SR-156 Interchange Improvement project in Santa Clara County. This amendment is for financial purposes and would allow for federal fund obligation during this fiscal year.

All the revisions made with this amendment will not change the air quality conformity finding or conflict with the financial constraint requirements of the TIP, therefore a conformity determination is not required and the 2007 TIP remains financially constrained. A detailed list of the projects in the amendment is attached and also posted on the Internet at:
<http://www.mtc.ca.gov/funding/tip/proposed.htm>.

Approval of TIP Amendment 07-02 by the Commission is contingent upon conclusion of the 30-day comment period and receipt of no public comment that seeks clarification information about the project or states opposition to the project. Any such public comment during the 30-day comment period will necessitate the return of the amendment to the Commission for consideration and approval at its December 2006 Meeting.

Issues: None.

Recommendation: Refer to the Commission for approval MTC Resolution No. 3755, Revised
